The Palms Centre, Woodstock, Cape Town

A wooden side table with a plant and a rug. The table is made of dark wood with a turned pedestal and four curved legs. On top of the table are two potted plants: one in a teal pot and one in a woven basket. The background is a white wall with a framed picture. The floor is covered with a grey and white striped rug.

NATURAL FIBRE

If using sustainable, natural fibres in your home is important to you, nothing compares to the texture that Airloom's natural weaves can bring to your interiors.

Choose your colour tone, the thickness of your weave, choose your size and even select a custom cotton binding to finish.
